

Winter Lanterns

FOR CLASSROOM USE ONLY

paper towel rolls
cut in half or toilet
paper roll.

paper plate

glue

paints and paint
brush

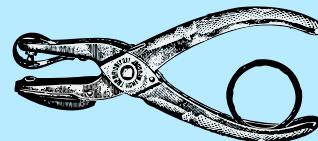

or

tissue paper/old
wrapping paper to
decorate

single hole puncher

flameless tea light

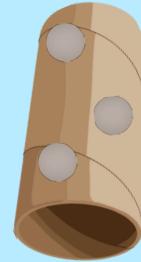

pebble
& pond

Winter Lanterns

Instructions

- Start by punching some holes in the cardboard roll.

Decorate the roll either with paint or by gluing tissue paper or use wrapping paper (cut into tiny pieces).

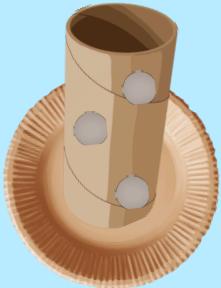

FOR CLASSROOM USE ONLY

pebble
& pond

Winter Lanterns

Instructions

Glue the roll to a paper plate and attach a string to hold the lantern.

Light up a flameless tea light and place in the lantern.

Turn off the lights and watch the lantern light up the space. Go for a lantern walk in the gym (lights off) or library.
