For classroom use only, not for resale

# Educator Guide

The following kit/guide was created to provide you (educators/parents) with a read aloud lesson and extension activities to support the read aloud, ***The Missing Mitten Mystery***. The kit/guide provides a variety of activities with different entry points so that all children can participate. All templates are free and can be printed for classroom use. You may choose one or complete all the activities, we leave it up to you!

# Read Aloud Plan

## Before Reading

Share the title of the book and invite children to discuss in pairs what they think it is about. Then have a few of the children share ideas. Next share the summary of the story. Introduce any vocabulary that may be new or will enhance the understanding of the story.

## During Reading

With this story you will read it in two different parts/sessions. Read until the pages about the mouse and the mitten. Pause here and invite the children to discuss/create what they think has happened to the mitten. You can add what the children have created to a booklet or have the children share later on in the day, before you read the rest of the book.

# Read Aloud Plan

## After Reading

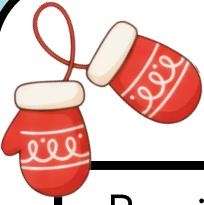

Once the children have been able to predict or to draw their prediction, complete the reading of the story.

### **Questions for after reading:**

What happened to the mitten? How do you think it ended up in the snowman?

Why was Annie upset about losing the mitten?

How was Annie feeling at the beginning, middle and then at the end of the story
