# Using Our Senses to Listen to The World Around Us

Go for a community walk. Use your sense of smell, listening skills, and touch to learn about the places around you. Write about your discoveries in your walking journal.

**What did you hear?**

**What did you smell?**

**What did you feel?**

Print

Option Two

## MY WALKING JOURNAL

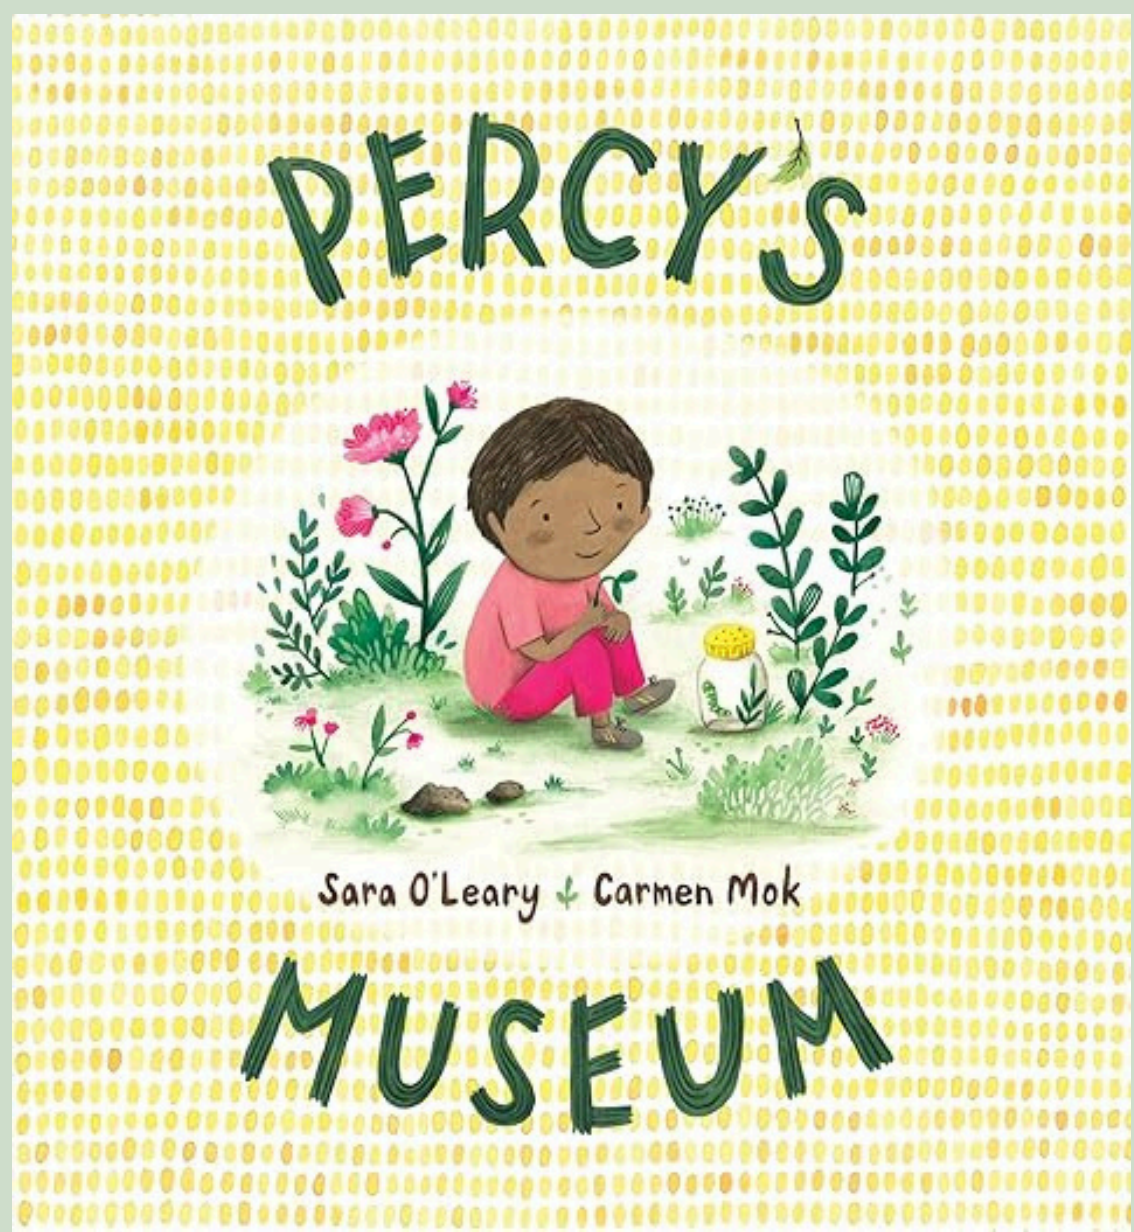

On our walk I heard

On our walk I smelled

On our walk I touched

# Sparking Inquiry, theories, and wonders!

After reading this text, invite children to share what they know about the community and nature around them.  
Then take a community walk to explore.

Student Response Sheet

Write or draw

**K-W-L**

What do you **know** about the world around us?  
(nature in our community)

What do you **want to know**?
